Dear Colleagues

We at Regional Cancer Center in IGIMS, Patna, are pleased to invite you all for upcoming "4th Annual Conference of Association of Medical Physicists of India (Eastern Chapter) to be held on (22nd & 23rd FEB 2014) at

Patna, Bihar". This year we have intended especially to focus on the Advancements in the Radiotherapy. The objective is to bring all the Medical Physicists, Radiation Oncologists and other specialty members at one platform. The eminent participants and Speakers are coming from every corner of India. Only our collective efforts will build up a strong communicative network and, can bridge up the gaps of growing needs. We, moreover, will be talking on the wide spectrum of Advancements in the Radiotherapy and prevailing challenges where the experts are presenting their extensive understandings on the recent sciences in the Radio-Physics.

The conference will be delivered at Lecture Hall of IGIMS and stay will be made at green covered surroundings of IGIMS Guest House. We are offering you the best place to stay in the city and Bihar is a beautiful state which alone gives you a complete picture of India, Indian values and Indian culture. Some famous top ten tourist destinations of Bihar are Sanjay Gandhi Biological Park, Har Mandir Sahib of Patna, Valmiki National Park, Shanti Stupa, Barabar Caves, Mahabodhi Mandir (Gaya), Mahavir Mandir (Patna), Mahatma Gandhi Setu, Vikramshila Museum and so on...

Keeping the same tradition and culture of Bihar, We all are looking forward for your precious and active participation during the conference. Your two days will support us together in harbouring equally the Medical Physics. So kindly make yourselves available by confirming us through mail.

Warm regards.
